N° :1569... /D.C.E.U/S.D.M.E.P/2022

Alger, le 01 SEP. 2022

À Messieurs
Les Présidents des Conférences Régionales
des Universités (Est-Centre-Ouest)

Objet : Offre d'un programme d'études-Inde.

P.J : Brochure du programme (04).

J'ai l'honneur de vous informer que l'Ambassade de l'Inde à Alger, nous a fait part de l'ouverture d'un programme d'études en ligne d'une durée d'une année, via la plateforme informatique MOOC (Massive Open Online Courses), offert par l'Institut National indien de Gestion de la Vulgarisation Agricole (MANAGE), situé à Hyderabad en Inde.

Les conditions et modalités d'inscription à ce programme d'études, qui sera couronné par un « Diplôme d'études supérieures en gestion de la vulgarisation Agricole (PGDAEM-MOOC) », sont détaillées dans la brochure ci-jointe.

Je vous saurais gré des dispositions que vous voudriez bien prendre en vue d'en assurer une large diffusion auprès des établissements universitaires.

Bien Cordialement

**Online Programme
on
Post Graduate Diploma in
Agricultural Extension Management
(PGDAEM-MOOCs)
(XIIth Batch)
2022-2023**

INTRODUCTION

National Institute of Agricultural Extension Management, established in 1957 is an apex level autonomous institute under the Ministry of Agriculture and Farmers Welfare, Government of India. MANAGE is involved in major initiatives towards reorientation and modernization of agricultural extension system, for evolving effective ways of managing the extension system through professional guidance and training of critical manpower. MANAGE offers its services in Training, Consultancy, Management Education, Information Services and Research.

About the Programme:

Online Post Graduate Diploma in Agricultural Extension Management (PGDAEM-MOOCs):

The public extension system has a vital and indispensable role in providing extension support to a large population of farmers. The public extension system needs to be strengthened to match the scale and diversity of agriculture. The extension/development functionaries have to be transformed into a vibrant and useful knowledge force to bring about the desired changes in agriculture and allied sectors. The private extension/development functionaries also need to be empowered through capacity building to improve the effectiveness in the extension delivery system.

MANAGE Post Graduate Diploma in Agricultural Extension Management (PGDAEM) was launched in 2007, currently fifteenth batch is in progress on a distance mode for the extension functionaries of Agriculture and allied sectors of the Central/State/UT governments, SAUs, KVKs and also for the functionaries working in Agri-business companies and Agri-enterprises, NGOs, Banks, Cooperatives etc.

The PGDAEM (distance education) has received an overwhelming response from public and private sectors both. In order to increase the outreach and cover large number of candidates, MANAGE has launched an alternate PGDAEM-MOOCs program i.e. Post Graduate Diploma in Agricultural Extension Management (PGDAEM-MOOCs) using Massive Open Online Courses (MOOCs), an online e-learning platform in the year 2017.

Course Objectives:

The objectives of PGDAEM-MOOCs program are:

- To enhance the techno-managerial competence of the candidates in the field of agricultural

- To equip the candidates with the latest developments in the field of agricultural extension

- To develop an insight into various extension models to enrich the agri. - value chain

Course Structure and Contents:

The programme has 30 credits and will be offered in two semesters across one year. Each semester has 15 credits. One credit is equivalent to 30 hours of study. The programme will have five courses in first and four in second semesters, with one assignment for each course. In addition, there will be a project work in the second semester. It is mandatory to complete all the nine courses + nine assignments + project work during the study period, in order to qualify for the award of the certificate.
